Full description

Join the Team at Woodstone Farm Te Anau's new and only Agri-Tourism Activity

As we open our exciting new business, we're looking for outstanding individuals to join the team at our Farm location just out of Te Anau — a place we aim to make the best experience locals and visitors can enjoy.

What makes us different? it's our people. Our team is the heart and soul of the business. Every Woodstone Farm member plays a vital role in creating the warm, welcoming, and fun atmosphere we aim to be famous for. At Woodstone Farm, we're committed to offering fast, friendly, personable, and memorable service and experience — ensuring every guest leaves happy and eager to return.

We're searching for enthusiastic, reliable, and hard-working team players who take pride in delivering exceptional customer service. If you thrive in a lively environment, love working alongside passionate colleagues, and enjoy making guests feel special, we want to hear from you.

This is your chance to be part of something exciting. Apply today and help us make Woodstone Farm the best experience guests have seen.

We're looking for hard-working' Farm Staff. Could it be you?

Want to trade in your 9-5 for a pair of gumboots? Our team at Woodstone Farm are looking for Farm Staff who are excited about the idea of getting our guests up close and personal to a real-life rural experience! If you have experience hosting as a Tour Guide, or a background in livestock farming and want to dip your toe into the tourism industry, this could be the job for you!

A typical day will see you combining your passion for tourism & agriculture with your customer service skills and getting hands on with the rural side of Fiordland. You'll host visitors through a range of farming experiences, and we'll provide full training so that you can demonstrate farm practices such as sheep shearing and dog handling to our groups of guests.

When you're not hosting visitors, you'll be helping the rural team to ensure immaculate presentation of the grounds/farm and ensuring our animals stay at optimum health. We have a 220 acre working support farm that has 360 degree views of surrounding mountains located only 7 minutes out of Te Anau

We are looking for people who have:

- At least 1 year in a similar tourism role OR 1 year experience within the farming industry
- Experience shearing sheep & dog handling preferred
- Confidence in speaking in front of up to 50 people
- Drivers Licence
- Top Team player - someone who is keen to get stuck into rural life and help out wherever needed
